Sadly local business, **B'zarte** ended with an auction of all remaining stock in the Jindivick Hall on 29 April.

**History of the building** Faye's grandparents, Bert & Mabel Pretty had the house/shop built in 1952, intending to move half the business from the general store across the road (to give them something to do in their retirement!) They stayed there until the late 70's. Following their deaths, Faye's mother, Lorna Parke, took over the Postmaster's role & operating the post office and milk bar until the end of the 80's. She then sold the business and building to Anne Bignell & Craig Browne. Anne's parents lived on site until the building was again sold, & ceased to be a Post Office. In 2007 Faye purchased the building, & established her antiques & collectables store, B'zarte. *Above May 2018 photo of Faye in her shop*

So, thank you all for your support. The brigade will continue our service delivery to our community throughout the project. This project will provide the brigade & community with a fantastic facility that will assist us to continue to protect lives & property into the future. **Remember to call 000 for emergencies.** Even though fire restrictions have been lifted **you still need to register all burns before you burn-off on 1800668511**, so our volunteers aren't called to false alarms.

## Nangara Reserve's Fabulous Fungi.

It's now the main time of year for fruiting bodies of some wonderful fungi to appear in Nangara reserve. Fungi are not plants: they have their own kingdom & perform the essential role of decomposing dead plants &

animals, animal faeces, etc, back into the soil as nutrients for plants to use. Some fungi are animal food, & many insects use fungi as a larvae host. It's best not to disturb fungi as it's the fruiting body of a complex & extensive organism performing a vital role, contributing to the biodiversity of our native landscape. Friends of Drouin's Trees will conduct a **Fungi Foray in Nangara Reserve**, Sat June 9, Meet 9am at the entrance to the reserve in Nangara Rd. Contact Peter: 56 259 412 for more info.

**Australia's Biggest Morning Tea in Jindivick** Nikki thanked all who came & enjoyed the day, saying it was a great effort from everyone. 'This was my 18th year holding a morning tea in memory of my mum'. Raffle prizes were won by Susan, Mary, Anne, Julie & Sabrina, and over \$500 was raised.
