

Birds - Grasslands/Wetlands

Australasian Grebe
Tachybaptus novaehollandiae
25cm - w - IM

Australian Shelduck
Tadorna tadornoides
70cm - woH - IM

Australian Wood Duck
Chenonetta jubata
48cm - woH - TW

Azure Kingfisher
Alcedo azurea
n - 19cm - tws - RB

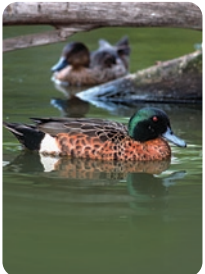

Black-shouldered Kite
Elanus axillaris
35cm - o - IM

Brown Falcon
Falco berigora
50cm - o - MSc

Cattle Egret
Ardea ibis
70cm - wo - TW

Chestnut Teal
Anas castanea
50cm - w - TP

Galah
Cacatua roseicapilla
35cm - oH - TW

Great Egret
Ardea alba
fv - 100cm - wo - TP

Grey Teal
Anas gracilis
47cm - w - TP

Little Pied Cormorant
Phalacrocorax melanoleucos
65cm - w - IM

Birds - Grasslands/Wetlands

Magpie-lark
Grallina cyanoleuca
(female) 27cm - wot - IM

Masked Lapwing
Vanellus miles
37cm - wo - TW

Pacific Black Duck
Anas superciliosa
60cm - wH - TW

Pink-eared Duck
Malacorhynchus membranaceus
42cm - w - MS

Purple Swamphen
Porphyrio porphyrio
48cm - w - RD

Royal Spoonbill
Platalea regia
v - 80cm - wo - MS

Straw-necked Ibis
Threskiornis spinicollis
70cm - wo - TW

Stubble Quail
Coturnix pectoralis
20cm - og - TP

Wedge-tailed Eagle
Aquila audax
105cm - o - MSc

White-faced Heron
Egretta novaehollandiae
68cm - w - TW

White-necked Heron
Ardea pacifica
105cm - wo - TW

Yellow-billed Spoonbill
Platalea flavipes
90cm - wo - TW

Mammals

Agile Antechinus
Antechinus agilis
11cm - sgnH - IM

Black Wallaby
Wallabia bicolor
85cm - sg - IM

Common Ringtail Possum
Pseudocheirus peregrinus
38cm - tsH - JS

Platypus
Ornithorhynchus anatinus
40cm - w - JS

Short-beaked Echidna
Tachyglossus aculeatus
35cm - g - RD

Sugar Glider
Petaurus breviceps
20cm - tsH - IM

Frogs

Size shown is average adult body length.

Alpine Tree Frog
Litoria verreauxii alpina
fv - 30mm - t - GH

Common Froglet
Crinia signifera
30mm - wg - GH

Dendy's Toadlet
Pseudophryne dendyi
35mm - wg - GH

Leaf Green Tree Frog
Litoria nudigigitus
40mm - w - GH

Southern Brown Tree Frog
Litoria ewingii
35mm - wg - GH

Spotted Tree Frog
Litoria spenceri
fec - 45mm - wg - GH

Invertebrates

Size shown is average adult body length.

Central Highlands Spiny Cray
Euastacus woiwuru
up to 200mm - w - GH

Gippsland Burrowing Cray
Engaeus hemicirratulus
70mm - g - GH

Gippsland Spiny Cray
Euastacus kershawi
up to 300mm - wg - GH

Narracan Burrowing Cray
Engaeus phyllocercus
fr - 40mm - g - GH

Southern Victorian Spiny Cray
Euastacus yarraensis
up to 200mm - g - GH

Warragul Burrowing Cray
Engaeus sternalis
fe - 70mm - g - GH

Reptiles

Blotched Bluetongue Lizard
Tiliqua nigrolutea
50cm - g - IM

Common Long-necked Turtle
Chelodina longicollis
25cm - w - IM

Lowland Copperhead
Austrelaps superbus
90cm - g - IM

Metallic Skink
Niveoscincus metallicus
50mm (snout-vent) - g - GH

Southern Water Skink
Eulamprus tympanum tympanum
80mm (snout-vent) - g - GH

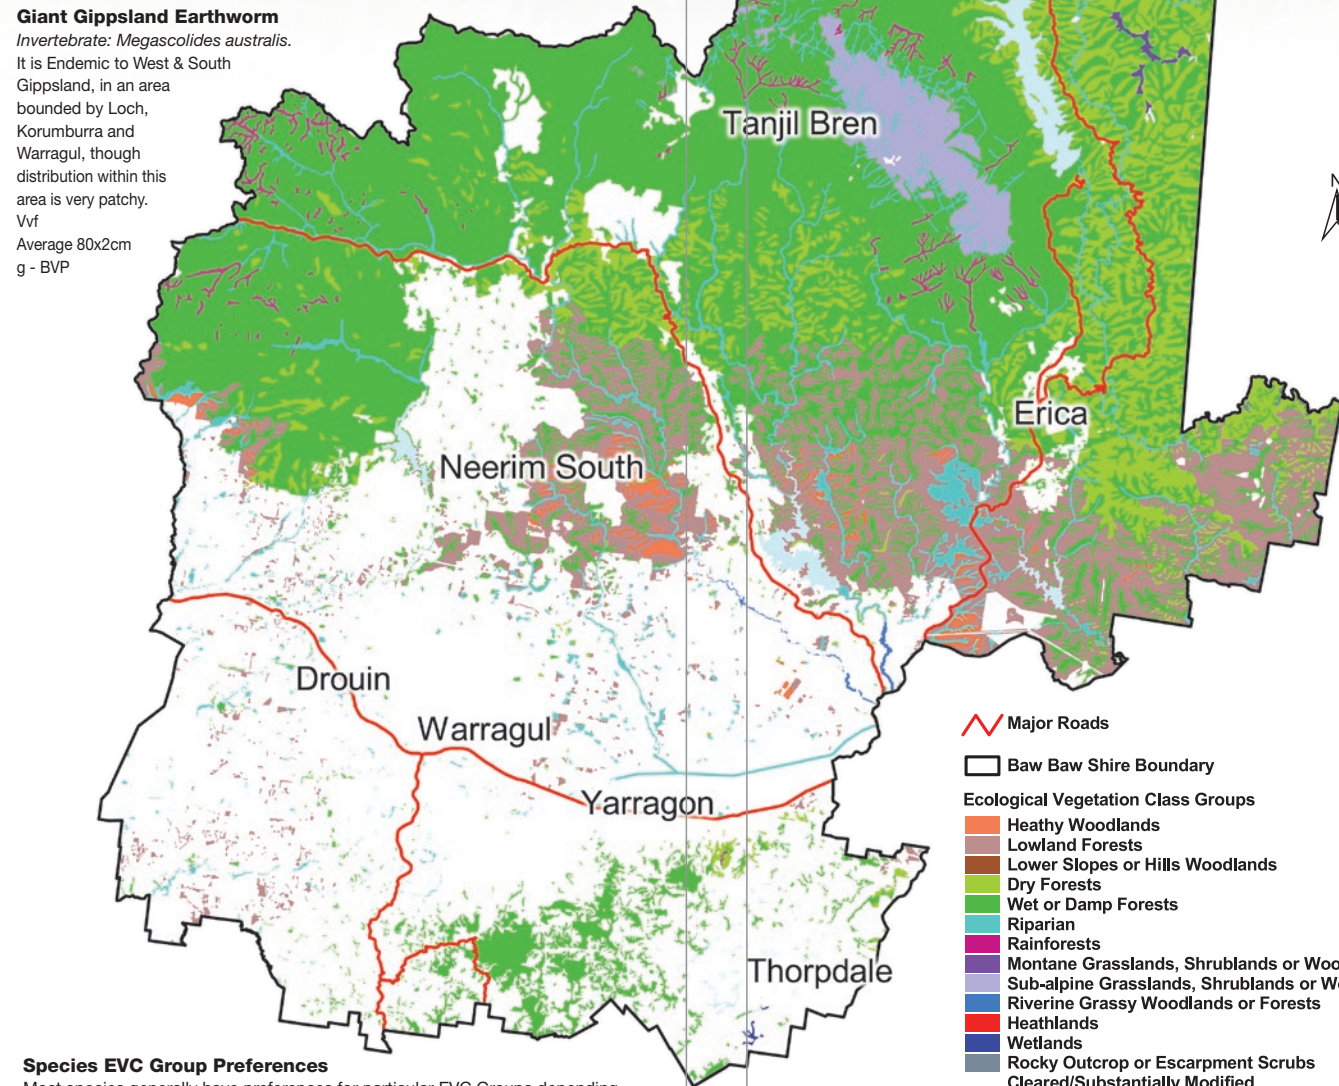

Tree Dragon
Amphibolurus muricatus
100mm (snout-vent) - tsg - GH

Native Vegetation Types - Baw Baw Shire

Giant Gippsland Earthworm
Invertebrate: Megascolides australis.
It is Endemic to West & South Gippsland, in an area bounded by Loch, Korumburra and Warragul, though distribution within this area is very patchy.
Vvf
Average 80x2cm
g - BVP

Species EVC Group Preferences
Most species generally have preferences for particular EVC Groups depending on time of year or season, however some species, particularly birds, may use all EVC groups at some time during their life. More detailed information on habitat use by species can be found under Further References.
