Jindivick Community Garden Thanks to Maz and Tim who came to our first gathering on a beautiful June day. We planned a lot, cleaned up a bed ready for winter mulching, and enjoyed carrot cake and lemon cordial.

Our next get-together is on Sunday July 8, 1 - 3pm Help mulch the garden bed, enjoy some yummy scones with orange marmalade, and home take a jar home. Oranges, lemons and limes are in season now. Fruit & recipes (from marmalade to cordial) will also be available to take home. All welcome for chat with some gardening and afternoon tea. If the weather is unpleasant we will make some citrus treat!!! Ph Nikki for more info.

Jindivick Flower & Craft Show AGM & Donation

Presentation Night was held in late May. \$2800 was given to the community. Unfortunately, a new committee was not formed, so at this stage there will be no Show in 2019. Money has been set aside for any person/group wanting to run the show in its 61st year. If interested, contact Nikki by the end of November (when judges are arranged). If there is no interest, a meeting will be called in May 2019. If no committee is formed the Jindivick Flower & Craft Show accounts will close and money passed to a community group. It's very sad to see such an amazing community-run event end. It's one of, if not *the* last, Show of its kind and a great fundraiser. Starting as the School Mothers Club fundraiser, it has had many changes over its time...Thanks to all who have been a part of the journey for the past 60 years... Nikki Cadzow 0447 776 178

Midwinter Get Together On 21 June, Jindivick residents

gathered at The Jindi Caf'. All who attended enjoyed a social evening catching up with friends &

neighbours & meeting new residents. Thanks to Sue & family for opening for the evening.

July Chook Blog Hello folks Clucker No. 357 here.

Frosty on the feet the last couple of mornings and I suspect Harley & Will have been warming their hands on our eggs, while collecting them in these wire baskets. Hmmm....

I wonder how many eggs in this basket? Here's a clue. If you eat 3 eggs a day it will take you 45 days to eat the whole basket full. So how many eggs do you reckon we lay every day if they collect 10 baskets a day? Food for thought. Oh look...there's a bug! Gotta go! Clucker 357, **Jindi Free Range Eggs**, over and out.
