Jindivick Votes for Monash Seat 2025 Federal Election

250 locals turned out to vote on Saturday 3 May at the Jindivick Primary School, where they ran the gauntlet of candidates' representatives handing out how to vote materials—to be fair they seemed more interested in chatting about the *Back to*, the excellent scones, and the weather, than politics. *Pictured below:* Fiona (Deb Leonard), Jo (Russell Broadbent), Steve (Deb Leonard) & Malcolm (Liberal Party)

Below Primary Votes at Jindivick Polling Place as per AEC

Candidate	Party	Votes

The Garden at Broughton Hall

Despite the lack of rain, the Autumn colour this year is amazing. The Garden is **open until June 18**, Thursday to Sundays 10 am - 4 pm, then closed for winter pruning until September 2.

The **Jindivick Country Market** is in its winter hibernation, however you can still get your market fix at the Neerim South Winter Market which operates on the second Saturday of the month from June

On 7 May approx. 30 people attended **Helen Timbury's print workshop** at Red Tree Gallery. They made tiny prints after being shown how to etch, and to use the small portable press Helen purchased using a 2025 BBSC Grant from the Arts and Culture Fund. Above: L-R Helen, Tina Sheers (Heyfield artist), and Mandy (Jindivick Writers Group)
Below: Mandy's little prints

to August, 9.00am - 1.00pm Several Jindi stall holders attend this market and have stock in Bowerbird Crafts which is just a short stroll from the Algie Hall.

Excited...we now have an Instagram page, [jindivickmarket](https://www.instagram.com/jindivickmarket). It is new but we look forward to sharing more content in the following months.

If you require any information on the Jindivick Country Market or want information about booking a stall, please feel free to contact Deb, the Market Coordinator Ph 0438 390 633

email countrymarket@jindivick.org.au

Nikki, organizer of **The Biggest Morning Tea**, **Jindivick** extends a huge thank you to all who came and made this year such a success. A record amount of funds was raised, lots of yummy food was eaten, and lots of catching up took place.

Provide your feedback on Baw Baw's most exceptional trees

Baw Baw Shire Council is seeking community feedback on the protection of trees in townships across the Shire as part of Round 2 consultation on the Draft Significant Tree Register project.

Following the nomination of trees received from the public, Council and Greenwood Consulting have collaborated to compile the *Baw Baw Draft Significant Tree Register* which includes 240 trees, and accompanying *Significant Tree Study* of 28 avenues, tree groups and reserves and the community is invited once again to have their say.

Community members can review these studies and the background documents, and make a submission to provide feedback

at www.bawbawconnect.com.au/significanttreeregister

For those who prefer face-to-face engagement, a drop-in session will be held on Thursday 26 June, 2pm to 7pm in the Lyrebird Room, West Gippsland Arts Centre, Warragul Submissions close at 5pm on Friday 18 July.

New requirements for burning off after the Fire Danger Period *Published by BBSC on 30 April 2025*

Permit requirements for burning off have changed following the conclusion of the Fire Danger Period earlier in April. Any burning off on private land is now subject to controls and provisions of the **Community Local Law 2024**, which guides Council's compliance and enforcement activities for many activities, including burning in open air. **Another important change is that a notification of ALL planned burning off activities must be registered online at www.triplezero.vic.gov.au/burn-off-water-off-notifications or by phoning 1800 668 511, not Council.**

The Jindivick Hall now has a much needed (and excellently constructed) new fence thanks to the expertise of Jim Simmonds and John Davis

The Drouin West Cemetery Trust would like to express their gratitude to the organisers of the Back to Jindivick celebration for their generous donation. If you have visited the cemetery recently you will have noticed the new rotunda. The donation has gone towards the landscaping and paneling. Now when you visit there is a place out of the weather to sit, reflect and/or simply admire the view back towards Jindivick.

Red Tree Gallery will feature over 30 of Sue Jarvis's creative, colourful still life and portrait paintings. Sue's work is based around her world, items in her 10 acre botanic garden, and items she has collected for her home. Using plants from the garden, Sue experiments with nature's individual colours and shapes, hoping to inspire viewers to look more closely at the natural world. To demonstrate her creative process Sue will also show photographs she used while developing her compositions. The exhibition runs from May 29 to June 24. Join the artist at the show's opening 2pm, June 1, for a chance to discuss her beautiful works.

Term 2 at **Jindivick Primary School** continues to be busy with the launch of our School-Wide Positive Behaviours Program. Students took part in a fun and engaging scavenger hunt to identify all of our expected behaviours across the school, culminated in the unveiling of our revitalised Reward Board, where students can now earn tickets for displaying positive behaviour. These tickets can be spent at our school "shop" on exciting rewards like free dress days, whole class sport sessions, or even the chance to sit in the teacher's chair for the day! The students' enthusiasm has been fantastic. A huge thank you to our wonderful local community for supporting our Election Day sausage sizzle. Thanks to your generosity, we raised over \$400, which will go towards improving our Nature Play resources and building a chicken coop for our school garden. To keep our grounds looking beautiful, we're holding a Working Bee on Sunday, 15th June at 9:00am. All community members are welcome to attend—we'd love your help to keep our school in tip-top shape. Thank you again for your continued support!
